6	**109375** Kitchen towels, 3 pack Swap with 934017 Vase, ceramic, 25 cm, class C, 49 lines	2,967	F-05-13-1 Level 1	**F-05-13-3** Level 3

DEFINITIONS

Utilization volume on hand ÷ volume capacity. A bay shows the utilization of its locations, all levels.
Over capacity a location holding more volume than its capacity. **Empty** a location with no stock.
Practical capacity the utilization the site plans not to exceed, 85% of the volume capacity.
ABC class SKUs ranked by pick lines over 28 days. A: first 80% of lines, B: next 15%, C: last 5%.
Golden zone the levels between waist and chest height, the easiest to pick from.
Bays odd on the west face, even on the east face of each aisle, bay 01 at the main aisle.
